Introduction

Hoi An River Town Hotel resting on the An Hoi island in Hoi An, nestled between two arms of the beautiful Thu Bon River is a tranquil oasis where handmade Vietnamese hospitality and modern Western feeling come together.

In our hotel, every guest is regarded as a friend visiting from far away. Hoi An River Town provides all the services of a luxury hotel combined with friendliness, warmth and attention to detail. We strive for giving a personal approach to each one of our guests. Our aim and purpose everyday is to make your stay a memorable one.

Whether on a leisure holiday or a business trip the possibilities at River Town Hotel and the surroundings are numerous. Take a stroll through the UNESCO heritage historical centre of Hoi An or visit one or more of the tourist attractions – old Buddhist pagodas and temples, colonial shop houses, interesting museums. Join a Vespa tour or cooking class, treat your soul and body in one of the numerous spa centres or simply enjoy the sun and the view over the Thu Bon River from our swimming pool and garden. Hoi An offers sightseeing and enjoyable opportunities which you won't find in any other city in Vietnam. Our hotel's relaxed ambience and the enchanting atmosphere of Hoi An make River Town Hotel an excellent choice for a romantic honeymoon or to celebrate wedding anniversary.

The convenient location of our hotel lets you easily reach the historical centre of Hoi An either by foot, bike or a motorbike. Therefore, it is a good starting point for exploring all the different faces of the town – the colourful tourist centre and the unexplored, charming villages on the neighbouring island.
